**To Whom It May Concern ,**

**Our family has had the pleasure of knowing Juanita for the past 10 years as a Teacher ,Friend , Confidant & Co-worker .**

**Juanita has guided ,intructed and nurtured our 3 young boys in some the most important stages of their lives .Our boys loved their experience with Juanita and it's incredible what they still remember from her today .**

**Our boys have always refered to her as"MY-NITA "which we knew this was a name they gave her (A)Because at the age of 3 they couldnt prounounce her name properly and (B)Because they felt a happy ,warm connection towards her .Our boys are truly blessed to have had her in their lives .**

**Juanita has so many strengths but her main strength is her love for children .She is very attentive ,extremly caring and prepares everyday with a smile .**

**As the years passed and our children went off into the school system ,I ,Jenna ,was given the opporutnity to work alongside Juanita as a ChildCare Provider .**

**I was so excited and so grateful for the great chance to learn from "the best ".**

**Juanita has taught and guided me into the daily routines of the daycare .Her leadership and confidence was very reassuring and she always made me feel at ease .She became a coworker but still resumed as a great friend .**

**Juanita is a Bright ,Motivated, Spark.Within minutes of meeting her she makes you feel like family .**

**I am truly honored to write about The Wonderful, Juanita .**
