The screenshot shows the EpiPen website interface. At the top left is the EpiPen logo with the tagline "There when you need it." Below the logo is a navigation menu with links: Home, What Is Anaphylaxis?, Causes of Anaphylaxis, Managing Anaphylaxis, About EpiPen®, Reminder Service, Patient Starter Kit, E-mail Updates, Package Insert, Contact Us, and Legal. The main content area is titled "EpiPen® Expiration Reminder Service" and includes a description of the service, a "Register Now" button, and a section for "Already Registered?" with fields for E-mail Address and Password, and a "Login" button.

At the centre the nurse instructed how to use an EpiPen after we watched the EpiPen video.
