

Merry Christmas!

Welcome to Linda's Pre School Program!  
We want to introduce ourselves without our masks!

Linda- She leads us with love and laughter. She also loves all things Sparkly! She is so full of Kindness. She makes children, big and small, feel loved, welcomed, and always has us laughing.

Juanita- She keeps us on our toes and makes sure we are up to date with our T's crossed and I's dotted. We look forward to her coming in the new year to play and teach us all the fun learning techniques she has been working hard on perfecting.

Jenna- She also keeps our T's crossed and I's dotted! Jenna keeps us laughing and the kids absolutely love her sense of humor. We appreciate her and how she keeps us moving in the weeks and the connection she shares with the kids flows over to us big children that love her guidance and thoughtfulness.

Rita- Loves the children so much and is so kind. She is passionate about the children's learning and loves sunny days outside. Rita loves reading stories to your children. She enjoys watching the children learn and grow as they are here for a short time.

Liv- Liv our newest teacher to join our team. She is so fun and loves to laugh with the children, she also loves to be outside and enjoying the kids exploring and playing. We are so excited that she chose to join our team and we look forward to your children getting to know her as well.

Jackie- We appreciate Jackie and all her paperwork! She also has so much fun with your Children laughing and playing. She really is a kid at heart! The Children love seeing what fun printed pants she will be wearing each day!

Merry Christmas and Happy New Year!
